

2008 tax ordinances

The law regarding local tax offices sets out the taxes that residents must pay to their respective town councils. Every year, the town council updates the amount of these taxes to adjust its income to the needs of the town. Its goal is to offer the services required by its residents and make necessary investments in the growth and modernisation of the town.

In 2008, the Town Council of Mont-roig del Camp has passed tax ordinances that promote solidarity and social progress, foster environmental-friendly policies, and simplify the paperwork residents have to file with the local administration. Enquire about these tax benefits and take advantage of them!

BUILDING

Residents are no longer required to pay taxes on small **BUILDING and REMODELLING PROJECTS** of up to 3,000 euros. They only need to inform the Town Council before starting the project.

NON-PROFIT ORGANISATIONS and **PERSONS WITH A DISABILITY** can earn an up to 95% discount in some building projects they need to complete.

We promote the **INSTALLATION OF LIFTS** in buildings that are more than 25 years old with a 50% discount in the building tax.

We offer 30% tax discounts for the **INSTALLATION OF RENEWABLE ENERGIES**.

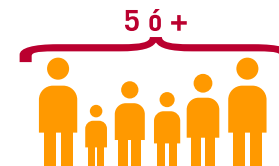

You may also receive assistance to **RESTORE BUILDING FRONTS**.

PROPERTY TAX

ALL LARGE FAMILIES have a right to a property tax discount, the amount of which depends on the assessed value of the property.

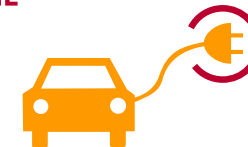

CAPITAL GAINS

WE HAVE STREAMLINED THE PAPERWORK AND INCREASED THE CAPITAL GAINS DISCOUNT from 30% to 50% in the transfer by inheritance of one's usual residence to a spouse, child or assimilated persons.

MOTOR VEHICLE TAX

We offer up to a 50% discount for **VEHICLES THAT RESPECT THE ENVIRONMENT** (electric or biofuel).

BUSINESS

Exemption of the establishment tax for **CHANGES OF OWNERSHIP** when there is no change in activity.
